

# Whale Watching Newcastle Harbour

departs:

**CROWNE PLAZA Boat Dock**

**Mid May to end October**

Step outside the square into a world of unique luxury cruising aboard *N'Joy*

A truly memorable experience with nature.

# N'Joy

## Luxury Cruising

## Whale Watch + Scenic Harbour Cruise

Exclusive 3 hour luxury cruise departs **CROWNE PLAZA Boat Dock**, Newcastle Foreshore, including:

### Whale Watching

Experience one of the worlds greatest natural wonders, the annual migration of over 6,000 magnificent Humpback Whales past the Hunters coastline. These amazing creatures of the deep migrate North to breed and return South to the Antarctic, usually with calves along side.

"N'Joy" the thrill of seeing these gentle giants and their playful antics, breaching and tail slapping from the spacious decks of the new and eco-friendly, luxury sailing catamaran, "N'Joy".

It can be both a humbling and awe-inspiring experience to see these huge marine mammals perform and entertain, up close, in the wild.

### Bonus Scenic Harbour Cruise

"N'Joy" a unique 3 Hour cruise in luxurious comfort, departs from the new Crowne Plaza Hotel Boat Dock on Newcastle's vibrant foreshore, sailing down the working harbour alongside the tug boats and the massive coal carriers of the world, heading for the ocean off Newcastle's icon, Nobbys Lighthouse.

Ten minutes later we will be heading into Stockton Bight or south past Newcastle's pristine beaches towards Redhead Bluff, seeking out one of the worlds greatest natural wonders.

Never before has there been a more intimate opportunity for people to see both Newcastle from the water and enjoy the thrill of Whale Watching.
